PROFESSIONAL SUMMARY

Innovative Information Technology student specializing in Full Stack Development and AI integration. Combines strong engineering fundamentals with a product-focused mindset to build robust, user-centric applications. Proficient in React, Flutter, and Cloud technologies with a passion for creating seamless digital experiences.

EDUCATION

B.Tech in Information Technology   2021 – 2025
School of Engineering, CUSAT   *Kochi, India*
Specializing in Full Stack Development and AI integration.

Higher Secondary (Computer Science)   2019 – 2021
St. Jude Public School   *Thrissur, India*

TECHNICAL SKILLS

- **Languages:** Python, PHP, JavaScript, TypeScript, Dart, C#, HTML, CSS
- **Frameworks:** React.js, React Native, Node.js, Express.js, Flutter, Tailwind CSS
- **Tools & Platforms:** Git, Figma, Unity, Supabase, PhpMyAdmin, Expo Go
- **Domain Knowledge:** REST APIs, Database Management, Authentication, DevOps, AI Integrations

EXPERIENCE

Digital Operations Assistant   Sep 2025 – Present
Mind Empowered (Freelance)

- Handling digital operations and ensuring smooth execution of online support services.
- Managing website updates and technical maintenance tasks.

Full-stack Developer Intern   May 2025 – Jun 2025
X Boson AI

- Developed a cross-platform Flutter application integrated with a PHP backend.
- Collaborated on user experience design and information gathering phases.
- Managed database operations using PhpMyAdmin.

Software Development Intern   Feb 2025 – Mar 2025
Wattlecorp Cybersecurity Labs

- Focused on Cloud Computing and Security Research.
- Contributed to internal development initiatives and security protocols.

Internship Trainee   Dec 2022 – May 2023
mark-P

- Gained foundational experience in software development lifecycles.
- Developed professional communication and teamwork skills.

KEY PROJECTS

Stickman to the Rescue   Live Demo
React, Tailwind CSS, PWA

- Innovative gamified mental health training simulator teaching the QPR suicide prevention method.
- Features branching narratives, voice interactions, and mini-games built as a Progressive Web App.

N.E.X.T.   Live Demo
Flutter, PHP, REST APIs

- A dynamic investment platform connecting startup visionaries with investors.
- Implements secure, real-time portfolio tracking and funding management systems.

Dhriti   Live Demo
React, TypeScript, Framer Motion

- Official website for Kerala's first community-led mental health festival.
- Designed with immersive parallax scrolling and high-performance responsiveness.
