ABOUT ME ⤢

A results-oriented, final-year Information Technology student at CUSAT. Eager to secure a challenging entry-level position where I can apply my analytical and problem-solving skills to contribute to innovative technological solutions.

EDUCATION

2022 - NOW
Cochin University of Science and Technology

Bachelor of Technology

B.Tech Information Technology student at the School of Engineering, CUSAT, with a strong foundation in software development, problem-solving, and emerging technologies, seeking to apply skills in real-world projects and innovative solutions.

EXPERIENCE

Sept 2025 - Oct 2025
IBM×CUSAT

Generative Ai intern

I built an AI legal summarizer by mastering prompt engineering, using Python, the LLMs API, Google Colab, and IBM Cloud. This involved iteratively refining prompts to extract and format key case details from unstructured legal PDFs.
